

## **Schedule For The Week**

### **Motivation Monday**

Reflecting on using positive language to motivate others.

### **Together Tuesday**

'Drop Everything and Watch': In an effort to challenge exclusionary language, we are asking all teachers to show a 7-minute video on the need to challenge homophobia in class on Tuesday at 12pm. There is a supplementary activity that teachers could use- it might be particularly relevant for SPEH, LifeSkills and CSPE teachers. The link is below for the video clip and the lesson plan. A hardcopy of this has also been placed in teacher's pigeonholes. There will be a prize for one lucky participating class.
