

Castleknock Community College Parents' Association

CCC Parents' Association would like to invite all parents/guardians to attend our PARENT TALK on Wednesday 7th March 2018 at 19:30pm in our school with the theme:

'Drugs and Social Media'

Guest Speakers: 1. Garda Alexander McDermott and
2. Garda Karen Baxter

The purpose of this special event is to give you an insight into these two issues:
a)Drugs: Despite prevention efforts, the reality remains that parents cannot stop young people coming into contact with drugs. How can they practically be helped? And,

b)Social Media: Social networking has changed the way we interact with friends and associates. What are the dangers but also the benefits when using Social Media?

We consider it a very valuable and worthwhile opportunity for you to attend this event.

RSVP by 4th March 2017 to
