

16th September 2019

Student Climate Action Rally

Friday 20th September 2019

Dear Parent(s)/Guardian(s),

As you are aware, there is a Student Climate Action Rally taking place this Friday, 20th September 2019 to highlight the issue of climate change and to push the climate emergency to the top of the Government's agenda.

A small number of Leaving Certificate 1 students have approached us to inquire about the school's position in relation to the protest planned for Friday 20th September. The school has listened to student queries regarding this. The usual arrangements for school absence apply where students must present an absence note from their parent/guardian to their Tutor in advance.

For our part, the College is inviting students to participate in a forum that will address how are College Community can respond to the challenges of Climate Change. I look forward to working with this group and developing an action plan for the year.

If you have any further queries, do not hesitate to contact the College.

Thank you for your continued support.

Yours faithfully,

Mr. John Cronin
Principal
