

10/09/19

Dear Parent (s)/Guardian(s)

The Guidance Department have organised tickets for all LC2 students to attend Higher Options on **Wednesday 18th September 2019** from 9am in the RDS.

Students make their own way to the event and it is not necessary to wear their school uniform. There will be food outlets there on the day but we suggest students bring a packed lunch.

Higher Options 2019 offers the widest choice in third-level courses and apprenticeships to students. Colleges from all around Ireland and Europe will be taking part.

If you have any questions please do not hesitate to contact a member of the Guidance Department or you may look up more information on <https://www.irishtimes.com/higher-options>

Please pay €10 as per the school booklist. We will give students their wristband for entry the day before.

Kind Regards,

Eileen Crowley & Mary Moran

Guidance Counsellors
