

17h September 2019

Dear Parents/Guardians,

The Chaplaincy Team, in conjunction with Emmaus Retreat Centre in Swords, is planning a Day of Reflection for Transition Year students. The event takes place on **Tuesday 24th September** and is part of the Transition Year induction programme. This activity is facilitated by youth leaders and has proven to be very popular with students.

The schedule for the Day of Reflection is as follows:

The students will travel by bus, which will leave the college at 9.00 a.m. and return in the afternoon at 3.50p.m. approximately.

Students will wear the full school uniform and are expected to follow the normal school code of behaviour. Students are not allowed to leave the grounds of the centre and are expected to co-operate fully with their supervising teachers.

If any students have dietary requirements could they please let their Religion teacher know by Friday.

With every blessing,

Chantelle Barrett & Vickie Stokes
