

## Students can access Microsoft teams using their Xbox/PlayStation.

As many of our students need to share devices at home this will allow students to access online classes through their games console.

For Xbox

Go to Games and Apps

Go to Microsoft Edge

Type in [office.com](https://office.com) into the search bar

Enter your school email address and password

Access Teams through top left corner.

---

For PlayStation

Go to Library

Go to Games and Applications

Go to Web Browser

Type in [office.com](https://office.com) into the search bar

Enter your school email address and password

Access Teams through top left corner.

These instructions should work.
