Introduction to Castleknock Community College

Castleknock Community College is part of the Dublin and Dún Laoghaire Education and Training Board and was established in 1995. Our College is a co-educational post-primary school catering to an ever-increasing population growth within the greater Castleknock area. A comprehensive academic curriculum is promoted in addition to a wide-ranging programme of extra-curricular activities. The College was established as a Designated Community College.

ETB schools are state, multidenominational, co-educational schools underpinned by the core values of Excellence in Education, Care, Equality, Community & Respect.

As the state provider of education, the ETB sector defines a 'multidenominational' school in the following way:

In ETB schools, all students are given equal opportunities for enrolment in line with the Education (Admissions to School) Act 2018. Once enrolled, our schools strive to provide all students with equal opportunities to engage with the curriculum and school life. In all aspects of school life all members of our school communities are treated equitably regardless of their race, gender, religion/belief, age, family status, civil status, membership of the Traveller community, sexual orientation, ability or socio-economic status.

Our schools provide a safe physical and social environment that reinforces a sense of belonging to the school community and wider society. They strive to enable every student to realise their full potential regardless of any aspect of their identity or background. Our schools promote a fully inclusive education that recognises the plurality of identities, beliefs and values held by students, parents and staff. We prepare open-minded, culturally sensitive and responsible citizens with a strong sense of shared values.

In ETB schools, students of all religions and beliefs are treated equally. The school environment and activities do not privilege any particular group over another whilst at the same time acknowledging and facilitating students of all religions and beliefs.

Conscious that our College is situated in an area where education is valued, and expectations are high, the challenge has been to set standards which will command the respect and the pride of the community.

Aspiring towards excellence, creating high expectations, developing a holistic approach to education and instilling a sense of pride and respect among parents, pupils and staff are among our goals.

“Mol an Óige agus Tíocfaidh Sí” underlines our philosophy of fostering self-esteem, a positive attitude towards learning, the promotion of responsible behaviour and the encouragement of dignity and respect in all our endeavours.

In honouring our commitment to the core values and the College motto, the College in consultation with the Student Council and Parents Association has created a statement of purpose for each of its students:

“A graduate from CCC is recognised as a young person who possesses a strong moral purpose and holds the courage of their convictions. Graduates will be equipped with the life skills to understand their own well-being so that they can manage their emotional, mental, spiritual and physical needs.”

The philosophy of Castleknock Community College is one of inclusiveness in which the College supports the principles of partnership, equality of access and participation in the school. We respect diversity, parental choice and equality. Parental involvement in all aspects of our development is an essential and appreciated part of our College. Parents are represented on the Board of Management and there is a vibrant Parents' Association.

The College operates within the regulations laid down from time to time by the **Department of Education and Skills** and follows the curricular programmes prescribed by the **Department of Education and Skills**, which may be amended from time to time, in accordance with **Section 9 and 30 of the Education Act 1998**.

Pupils at Junior and Senior Cycle follow a core programme, with a number of optional subjects. The College also offers the option of the Transition Year Programme. Furthermore, where there is a demand, the College may offer the Leaving Certificate Applied Programme and the Leaving Certificate Vocational Programme.

We are very proud of our academic success in the Leaving and Junior Certificate examinations. The College has created its own awards scheme, known as the Academic Excellence Awards, which recognises students for their high academic achievement in both Junior and Leaving Certificate.

Castleknock Community College will always strive for greater achievement. We pride ourselves in providing a high-quality education to all our students, inspiring them to develop their abilities to the full but conscious of the potential for further development. All who are associated with our College are focused on our success and on providing a quality education for the youth of the community which we serve.

Section 1 - Glossary of Terms

'Applicant' means the parent / guardian of a Student, or, in the case of a Student who has reached the age of 18 years, the Student, who has made an application for admission to Castleknock Community College.

'Student' means the person in respect of whom the application is being made. All uses of the word throughout this Policy therefore imply 'prospective' as part of the interpretation. That is, the use of the word 'Student' does not mean that the application for him/her has been accepted such that s/he is regarded as a Student of Castleknock Community College by virtue of application alone.

'Gender', in line with the definition of "the gender ground" in the Equal Status Act 2000, is such that "one is male and the other is female". This does not prejudice any Student who is Intersex or identifies as Androgynous/Androgyne, Bigender, Demigender, Gender Fluid, Genderqueer, Multigender, Neutrois, Non-binary, Transgender, Transsexual or otherwise.

'Parent' has the same meaning as in the Education Act 1998 and includes a foster parent and a guardian appointed under the Guardianship of Children Acts, 1964 to 1997.

Sibling & Twins/Triplets etc:

- For the purpose of the selection criterion relating to the student having a **sibling who previously attended** the school, 'Sibling' refers to full siblings, half-siblings, foster-siblings and step-siblings.
 - For the purpose of the selection criterion relating to the student having a **sibling currently enrolled in the school**, 'Sibling' refers to full siblings, half-siblings, foster-sibling and step-siblings.
 - In the case of twins/triplets etc. they are treated as separate applications and there will be no additional provision made for such applications in a random lottery.
-

'Catchment Area' refers to the designated residential area for application to Castleknock Community College in respect of the person on whose behalf the application is being made. The catchment area for Castleknock Community College is defined as follows:

- The Catchment Area commences at the boundary of the N3 and Castleknock Road (Halfway House Roundabout)
 - The Boundary extends from The Navan Road N3 (Halfway House Roundabout) to the Auburn Avenue Roundabout to include Morgan Place

Section 2 - Admission Statement

Definition of a 'Multidenominational School' in a Designated Community College.

Castleknock Community College is a designated Community College. Designated Community Colleges are established by the signing of a model agreement between an ETB and the local Catholic Bishop and/or a religious congregation. Dublin & DunLaoghaire ETB is the patron of the school. The model agreement provides for the participation of the Catholic Archbishop of Dublin and the Church of Ireland in the organisation and management of the community college on an ongoing basis.

Castleknock Community College was established in 1995 in a spirit of partnership between Dublin & DunLaoghaire ETB and the Catholic Archbishop of Dublin (3 Nominees) and the Church of Ireland (1 Member). The inherited traditions, values and founding intentions of Dublin & DunLaoghaire ETB, the Catholic Archbishop of Dublin and the Church of Ireland remain enshrined in the characteristic spirit and in the life of our school.

Our school is a state, co-educational, multi-denominational school underpinned by the core values of:

- Excellence in Education;
- Care;
- Equality;
- Community and
- Respect.

All members of our school community are treated equally, regardless of their race, gender, religion/belief, age, family status, marital status, membership of the Traveller community, sexual orientation, ability or socio-economic status. In our school all students are given equal opportunity for enrolment, in line with the Education (Admissions to School) Act (2018). Once enrolled, our school strives to provide all our students with equal opportunities to engage with the curriculum and school life.

Castleknock Community College provides a safe physical and social environment that reinforces a sense of belonging to the school community and wider society. We strive to enable every student to realise their full potential regardless of any aspect of their identity or background. Our school promotes a fully inclusive education which recognises the plurality of identities, beliefs and values held by students, parents and staff. We prepare open-minded, culturally sensitive and responsible citizens with a strong sense of shared values.

Castleknock Community College is multi-denominational. We welcome, respect and support students of all religions and beliefs. The provision of religious education, religious worship and the work of the Chaplain all combine to reflect the founding intention of the school, the school's mission statement and the needs of the students within the school. The characteristic spirit of the school finds practical expression through the provision of pastoral, liturgical and social outreach activities, as appropriate, for each student.

Accordingly, Castleknock Community College shall not discriminate in its admission of a Student based on the following grounds:

- 2.1. Gender of the Student or Applicant. However, where a school admits students of one gender only, it is not discriminatory to refuse to admit Students not of that gender
- 2.2. Civil status of the Student or Applicant
- 2.3. Family status of the Student or Applicant
- 2.4. Sexual orientation of the Student or Applicant
- 2.5. Religion of the Student or Applicant
- 2.6. Disability of the Student or Applicant
- 2.7. Race of the Student or Applicant
- 2.8. The Student's or Applicant's membership of the Traveller community
- 2.9. Special educational needs of the Student or Applicant.

Castleknock Community College shall not charge fees or payments or seek contributions as a condition of admission or continued enrolment of a Student.

Section 3 - Legal Framework

Dublin & Dun Laoghaire ETB was established under the Education and Training Board Act 2013 which sets out the functions of all ETBs, including to establish and maintain recognised schools, centres for education and education and training facilities in each ETB's functional area.

The Board of Management of Castleknock Community College is a committee established under section 44 of the Education and Training Board Act 2013 and also constitutes a Board of Management within the meaning of the Education Act 1998.

The Education (Admission to Schools) Act 2018 and the Education (Welfare) Act 2000 place a duty on all recognised schools to prepare and publish an Admission Policy.

The Education Act, 1998 provides for an appeal process in the event of a refusal to enrol. The appeal process is set out in Section 7 in respect of applications made to College.

It is important to understand that our school does not provide '*religious instruction*' and therefore the legal requirement to advise of the option to opt-out of religious instruction does not arise in this school. There is an important distinction between '*religious instruction*' and '*religious education*':

- *Religious instruction* is a term used in Ireland to indicate instruction in accordance with the rites, practices and teachings of a particular religion or denomination for pupils of that religious tradition.
- *Religious education* is open to all pupils regardless of their commitment to any particular religion or worldview. It seeks to contribute to the spiritual and moral development of all students equally.

As ETB schools are 'multi-denominational', Castleknock Community College supports the provision of *religious education* that caters for all students regardless of their religious or non-religious beliefs.

Section 5- Application to First Year

Where Castleknock Community College is not oversubscribed, all Students will be offered a school place, subject to Section 4.

5.1 Admission Provisions for First Years

- 5.1.1 Oversubscription
- 5.1.2 Selection criteria in order of priority
- 5.1.3 Selection process
- 5.1.4 Late Applications
- 5.1.5 Second/third-round offers of a place
- 5.1.6 Acceptance of a place
- 5.1.7 Refusal
- 5.1.8 Withdrawal of an offer
- 5.1.9 Appeals

5.1.1. Oversubscription

When the number of applications exceeds the number of places available, the published selection criteria as set out at section 5.1.2 below will apply and a waiting list shall be compiled which shall remain valid only for the school year in respect of which the applications are made. Where Castleknock Community College is in a position to offer further school places that become available for and during that academic year, places will be offered in accordance with the order of priority in which Students have been placed on the waiting list.

For the avoidance of doubt, if a student does not receive a place in the school for a given academic year, but s/he wishes to be considered for admission to the same year group in the following academic year, a new application must be made on behalf of that Student during the dates specified by the school as being the period when it will accept applications to all years other than the First Year Group.

Where the school is oversubscribed, any selection criteria that are not included in this Admission Policy shall not be considered in determining whether or not a Student is admitted to the school.

5.1.2 Selection criteria in order of priority

1. Siblings of students, including past pupils, enrolled at Castleknock Community College where these siblings are residing within the catchment area.
2. Applicants living in the catchment area as outlined on Pages 4 & 5 of this policy and attending one of the listed Primary Schools.
3. Applicants living in the catchment area as outlined on Pages 4 & 5 of this policy and **not** attending one of the listed Primary Schools.

4. Siblings of students, including past pupils, enrolled at Castleknock Community College attending a listed primary school not living in the catchment area.
5. Applicants attending a listed primary school not living in the catchment area.
6. Applicants from outside the Catchment Area.
7. Finally, places will be offered to those students on the late waiting list as per date and time of receipt of application form.

If any category is oversubscribed random selection will be used to determine places except in the case of the late waiting list.

5.1.3 Selection Process

Castleknock Community College will apply the selection process as follows:

Applications are considered against the published selection criteria. Places will be offered in the first instance to those who meet the first criterion. Subsequently, where the school still has places available, the remaining Applicants are considered in light of the second criterion and those Applicants who meet this criterion will be offered a place within the school. This process is continuously carried out until all available places have been offered and accepted.

Where two or more applications are tied in the foregoing selection process, Castleknock Community College will apply a random lottery to assign any available places in the school, or on the waiting list, to those applications.

In the event of any category being oversubscribed each applicant's name will be placed in an envelope and a draw will take place.

By way of example, if the College is in a position to offer places to all applicants in categories one and two and cannot offer a place to applicants in category three and subsequent categories, then a draw will take place.

In this case a draw will be made for students placed in category three and a separate draw for each subsequent oversubscribed category.

In this example there are twenty applicants in category three but there are only ten places available.

All applicants receive a number. The first ten names drawn from the envelope will be offered a place at the College. The remaining ten applicants will be placed on a waiting list based on the order in which they are drawn.

The same process will apply to subsequent categories until all applicants have been assigned a number on the waiting list.

In the case of twins/triplets etc. they are treated as separate applications and there will be no additional provision made for such applications in a random lottery.

5.1.4 Late Applications:

An application received by Castleknock Community College after the closing date published by Castleknock Community College and set out in the Admission Notice, is considered a late application for the purposes of this Admission Policy.

Where Castleknock Community College is oversubscribed and receives a late application for admission, that application will receive a place on the waiting list beneath all Applicants whose applications were received by the school before the closing date for applications. Such late applications will be placed on the waiting list in accordance with the date and time they were received by the school.

Where Castleknock Community College is not oversubscribed and it receives a late application, the Student seeking admission will receive an offer of a place within Castleknock Community College subject to Section 4, and the same process as applies to applicants whose applications were received before the closing date will be applied i.e. an Acceptance Form will be issued to the Applicant for completion and return to the school within 2 weeks of issue.

5.1.5 Second/third-round offers of a place

Where a student is in receipt of an offer of a place within Castleknock Community College but does not accept the offer, or the school withdraws the offer in line with the relevant provisions of this Policy, the place will be offered to the next student on the waiting list in a second-round of offers. This process will continue throughout third and fourth rounds etc. until all places within the school have been filled.

5.1.6 Acceptance of a place:

If the student in respect of whom the application is made is offered a place, the Applicant will be issued with an Acceptance Form by the school. The applicant shall indicate acceptance of an offer by fully completing and returning the Acceptance Form by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer. This includes indicating whether or not s/he has applied for and is awaiting confirmation of an offer of admission from another school.

Failure to fully complete and return the Acceptance Form to the school by the date set out in the School Admission Notice, or within 2 weeks of issuing by the school if it is a late application or if it is a second/third-round offer, will result in withdrawal of an offer, in line with the grounds for withdrawal as set out below.

5.1.7 Refusal:

Where a Student in respect of whom an application is being sought has not been offered a school place, the Applicant will be provided in writing with:

- 5.1.7.1 The reason(s) that the Student was not offered a place in Castleknock Community College
- 5.1.7.2 Details of the Student's ranking against the published selection criteria, if the year-group to which the Applicant is applying is oversubscribed
- 5.1.7.3 Details of the Student's place on the waiting list, if applicable, and
- 5.1.7.4 Details of the Applicant's right to appeal the decision.

In addition to the conditions for consideration of an application as set out at Section 4, an offer of admission may not be made where:

- 5.1.7.5 The information contained in the application is false or misleading in a material respect.

5.1.8 Withdrawal of an offer

An offer of admission will be withdrawn where:

- 5.1.8.1 The information contained in the application is false or misleading in a material respect, or
- 5.1.8.2 The Applicant fails to confirm acceptance of an offer of admission on or before the date set out in the annual Admission Notice of the College for the academic year for which s/he is applying, or in the case of a late application, or second/third-round offer, within 2 weeks, or
- 5.1.8.3 An Applicant has not indicated:
- (i) whether or not s/he has applied for and is awaiting confirmation of an offer from another school(s) and if so, the details of the school(s);
 - and**
 - (ii) whether or not s/he has accepted an offer of admission from another school(s) and if so, the details of the offer(s).

If an offer of a place is withdrawn by the College, the student on whose behalf the application was made shall lose his/her place on the admission list or waiting list for that academic year and any subsequent applications for the same academic year on behalf of that Student shall be treated as a late application in line with section 5.1.4 above.

Section 7 - Appeals

7.1. Appeal where refusal was due to oversubscription

An Applicant who was refused admission because the school is oversubscribed and who wishes to appeal this decision must first request a review by the Board of Management in writing, via a BOMR 1 Form, available from the school office and on the school's website, for it to be reviewed by the Board of Management of Castleknock Community College,

Carpenterstown Road, Castleknock, Dublin 15. Such a Review must be brought within twenty-one calendar days of receipt by the Applicant of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education and Skills after the publication of this Policy, same shall apply instead. Completed BOMR 1 Forms should be submitted to the school office or online by emailing admin@castleknockcc.ie

If an Applicant is not satisfied with the decision of the Board of Management, or the Board of Management is not in a position to review the decision to refuse admission, the Applicant may apply to bring an appeal to an Appeals Committee established by the Minister for Education and Skills under section 29A of the Education Act 1998.

Appeals must be made in writing on a 'Section 29 Appeal Form' and must be submitted to the Section 29 Appeals Administration Unit in the Department of Education. The 'Section 29 Appeal Form' may be downloaded from the Department of Education & Skills website or may be obtained directly from the Section 29 Appeals Administration Unit in the Department of Education & Skills. Contact details for the Unit area available on the Department of Education & Skills website. As per the Department of Education & Skills '*Procedures for hearing and determining appeals under Section 29*', such an appeal must not be brought until the Applicant has received correspondence from the Board of Management in relation to the review, or until 42 calendar days have passed since the date of initial refusal and may not be brought later than 63 calendar days after the initial decision to refuse admission.

1.2 Appeal where refusal was for a reason other than oversubscription

An Applicant who was refused admission to Castleknock Community College for a reason other than the school being oversubscribed and who wishes to appeal this decision may first choose to request a review by the Board of Management via a BOMR 1 available from the school office and on the school's website, for it to be reviewed by the Board of Management of Castleknock Community College. Such a Review must be brought by the applicant within twenty-one calendar days of receipt by the Applicant of the school's decision to refuse to admit. However, if a different time period for the bringing of such an appeal is specified by the Minister for Education and Skills after the publication of this Policy, same shall apply instead. Completed BOMR1 Forms should be submitted to the school office or online by emailing admin@castleknockcc.ie. (An applicant may withdraw a request for review at any time prior to the conclusion of the review by notifying the Board of Management in writing to that effect.)

Alternatively, s/he may choose to apply to bring an appeal to an appeals committee established by the Minister for Education under section 29A of the Education Act 1998. Appeals must be made in writing on a 'Section 29 Appeal Form' and must be submitted to the Section 29 Appeals Administration Unit in the Department of Education & Skills. The 'Section 29 Appeal Form' may be downloaded from the Department of Education & Skills website or may be obtained directly from the Section 29 Appeals Administration Unit in the Department of Education & Skills. Contact details for the Unit area available on the Department of Education & Skills website.

As per the Department of Education & Skills '*Procedures for hearing and determining appeals under Section 29*', such an appeal may not be brought later than 63 calendar days after the initial decision to refuse admission.

If an Applicant who seeks a review to the Board of Management is not satisfied with the decision of the Board of Management, the Applicant may also apply to bring an appeal to an appeals committee established by the Minister for Education under section 29A of the Education Act 1998 as outlined in the immediately preceding paragraph.

1.3 Basis for appeal

As required by section 29C(2) of the Education Act 1998, any request for the Board of Management to review a decision of the school to refuse admission must be based on the implementation of this Admission Policy, the content of the school's Admission Notice and also set out the grounds of the request to appeal the decision.
