

Re: First Year Friendship Day 2022

9th September 2022

Dear Parent(s)/Guardian,

The Chaplaincy team is planning an activity in the school for each of the First Year groups. Each class will have one half-day reflection where they will have an opportunity to bond in a less structured setting. The focus for the day will be on nourishing friendships and on building community. These topics are relevant to the Religious Studies Programme. The experience of the day will complement the Well-Being, Civic, Social and Personal aspect of their First Year syllabus. This is an activity for all First Year students.

The activity will take place in the College and will be led by Anita Phelan, a Retreat Director.

The schedule is as follows:

	A.M	P.M.
Tuesday September 13 th	Finucane	Guerin
Thursday September 15 th	Robinson	Harrington
Friday September 16 th	Binchy	Blackmore
Thursday September 22 nd	Buckley	Corless

As this is a normal school day, students will wear their uniform and the normal lunchtime arrangements will apply.

Should you as parent(s)/guardians have any queries about these arrangements do not hesitate to make contact with us.
